

Carstairs & District Agricultural Society

Hugh Sutherland School Scholarship

The Carstairs and District Agricultural Society will sponsor and administer two scholarships to students whom achieve their high school diploma from Hugh Sutherland High School. The scholarships are each in the amount of \$1000. The successful recipients shall be pursuing any level of post-secondary education including trade and apprenticeship programs. The scholarship will be awarded based on academic standing, community involvement, and a background in agriculture, with participation in 4-H being an asset. Preference will be given to rural students.

Applicants must provide a copy of their most recent school marks and a letter outlining their school and community involvement as well as their future educational pursuits. Scholarships will be paid once the Carstairs & District Agricultural Society receives proof of paid enrollment in a post-secondary institution.

Applications are to be received by June 1, 2020
